logikos Overview

Logikos Overview Asset Tags – Model #OV-1001

User's Manual and Installation Instructions

Installation

Install asset tags using the provided holes to equipment. The tags may secured with screws, rivets or cable ties. For best results, place the tags in a position that provides the best "line of sight". Tags should not be placed inside of metal containers.

Use

The Overview asset tags are shipped powered and transmitting. The tags are sealed and there are no serviceable parts inside. When the portal reports low battery tags should be disposed and replaced with a new tag.

Caution

Tags are rated for indoor and outdoor use in damp and wet conditions. Tags should not be submerged in water. Do not expose tags to temperature above 65° C (149° F). If a tag is damaged or cracked, replace with new tag.

Warning

Changes or modifications not expressly approved by manufacturer could void the user's authority to operate the equipment.

FCC Notice:

This device complies with part 15 of the FCC Rules.
Operation is subject to the following two conditions:
1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

Caution: changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.

IC Notice:

CAN ICES-3 (A)/NMB-3(A)

This device complies with Industry Canada license-exempt RSS standard(s).
Operation is subject to the following two conditions:
(1) this device may not cause interference, and
(2) this device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil est conforme avec Industrie Canada exempt de licence Rss standard(s).
Son fonctionnement est soumis aux deux conditions suivantes :
(1) cet appareil ne peut causer d'interférences, et
(2) cet appareil doit accepter toute interférence, y compris des interférences qui peuvent provoquer un fonctionnement indésirable du périphérique.

Les changements ou modifications à cet appareil sans expressément approuvée par la partie responsable de conformité pourraient annuler l'autorité de l'utilisateur de faire fonctionner cet équipement.
